What can you expect after LSBF?

84% Average salary increase

91% Employed within 3 months

63% Work in international corporations

26% In top management positions

Internationally recognised, internationally focused

Under the royal patronage of HRH Prince Michael of Kent GVC, LSBF delivers globally recognised, innovative and industry-relevant programmes to students from over 150 countries around the world.

As a modern professional, you need an MBA programme that develops your skills and experience for a career in business and management. At London School of Business & Finance we pride ourselves on staying in touch with the current market, giving you practical, and above all relevant, skills that employers are looking for.

The MBA programme is an internationally recognised degree that delivers the very latest in management theory along with applied skills and case studies, keeping your experience as close to a real-world business environment as possible.

Studying with LSBF brings unparalleled flexibility to the way you study. Whether you have specific ambitions, or you're not ready to specialise just yet, with LSBF, you can keep your studies as broad or as focused as you want. Choose from a range of specialisations including Finance Management, Risk Management and Marketing Management Finance, and develop a programme that caters to your career aspirations.

You can enjoy the networking opportunities and world-class facilities of our campuses, or choose to study online through our unique InterActive platform. Our MBA programme is listed at number 19 in the Global Online MBA Listings from Financial Times 2010, so whichever route you choose, you'll still get the same top quality tuition.

Career development

We're committed to developing programmes that reflect the current economic climate and by working with high profile corporate clients (including 3 out of the big 4 accountancy firms), it means we're constantly in contact with some of the biggest names in the world. Google, IBM, Accenture and KPMG have all recruited successful LSBF graduates, to name just a few.

Marketable skills

The MBA is designed to give you a competitive edge with future employers. You'll gain a broad understanding of business management with the practical skills to accompany it.

Networking

We understand that your MBA is more than just a qualification. It's a critical factor in your career, and the more networking opportunities you can get the better. As an LSBF student you'll have access to a growing network of more than 12,000 business students. Maximise your networking opportunity visit www.LSBF.org/globalcerts to find out more on exceptional opportunities.

Flexible

Studying with LSBF puts you in control. Choose the times and the locations that suit you. Whether it's online, on campus, or a blend of the two, you can study whenever and wherever you like without compromising on quality.

Dual Programmes

Combining your MBA with an internationally recognised professional qualification adds an extra level to your marketability. LSBF delivers ACCA, CIMA, CFA® and CIM. As a Dual Programme, you study your MBA and your professional qualification in two years, helping you to develop a competitive edge in the shortest possible time.
